CONGRATULATIONS RETIREES!

Bruce Sampsel, Ph. D.

Bruce Sampsel, Ph.D., retired in June after almost sixteen years with The Counseling Center. Dr. Sampsel, a clinical psychologist who was licensed in 1986, joined our staff in 2003 after serving as a supervising psychologist at Child Guidance in the Akron area. While he worked skillfully with a diverse client population, his special interest and training in therapeutic work with children and adolescents benefitted numerous individuals and families in our area. He received an exceptional number of compliments from clients and their families. One parent remarked that he provided “amazing help” to her child and a number of clients reported that their lives were significantly improved through working with Dr. Sampsel. He also provided clinical supervision and served as Director of Outpatient Services during his tenure, providing valuable staff consultation and training. While he will be missed, we wish him the best and congratulate him on his well-deserved retirement.

Dave Snyder served as our bookkeeper for fifteen years, after retiring as a Vice President and controller from an area bank. He was a key member of the finance team, and recognized for his professionalism, organizational ability and reliability. The CFOs he reported to remarked that they could not do their jobs as efficiently without Dave’s assistance. He also volunteered to help out in a number of ways in the agency and provided valuable assistance to administrative staff in serving clients in the payee and case management programs. We congratulate him on his retirement, and wish him the best in the future.

Chuck Sword

Chuck Sword retired recently as a Residential Assistant. He worked at the Oakhill Group Home intermittently since 2009, when The Counseling Center began operating the facility. Supervisors and administrative staff described Chuck as being “dedicated totally to the residents”, “showing concern for them and assuring they have a good quality of life” and “diligent in his work and care of them.” While he will certainly be missed, we wish him a wonderful retirement.
