## DR. CHUNG RECEIVES NHSC AWARD

Dr. Renae Chung, Director of Psychotherapy and Counseling Services, is the first Counseling Center employee to be a National Health Service Corps awardee. She recently learned that she will receive \$50,000 for student loan forgiveness. These awards are available for independently licensed professionals providing healthcare in underserved areas, and Wayne and Holmes Counties are considered underserved in behavioral healthcare. In exchange for the award, Dr. Chung, who joined The Counseling Center as a staff psychologist in 2012, must continue employment here in her current capacity for two years. Congratulations Dr. Chung!
